Outcome of Activity: The one-month training in an Ayurvedic company proved to be beneficial for students. The training enhanced their understanding and knowledge of Ayurveda, a traditional Indian system of medicine. They gained hands-on experience in Ayurvedic preparations, formulations, and manufacturing processes, witnessing the traditional methods and quality control measures employed by the company. This training provided the students with a valuable insight into the integration of Ayurveda with modern healthcare practices, expanding their skill set and potential career opportunities in the field of pharmaceuticals.
