Action Taken Report for Teachers/Faculty feedback on Curriculum 2020-21

We obtained positive responses here. Still we are running following practices to strengthen the curriculum.

- During meetings, the Principal and senior faculty provide essential knowledge and course objectives to new staff members.
- Every year, we ask the subject in-charge at the library for a list of newly published text and reference books that are not available in our collection.
- Management provides all possible kind facility to conduct online teaching and learning system smartly and smoothly.
- Each faculty member discusses the significance of CO's, PO's, and PEO's with the students, resulting in positive responses from them.
- Introducing concepts of business management, encouraging students to consider starting their own ventures and become job creators.
