Activity Report 2022-2023

Title of Event- Hands on Training Workshop on Design of Experiments and Statistics for Pharmaceutical Research

Date: - 24/9/2022

Venue: – SES Department of P'ceutical Chemistry, Pharmaceutics and IQAC Cell H.R.Patel Institute of P'ceutical Education & Research Shirpur

Time: - 10.00am to 4.00pm

In-Charge of activity: - Dr.P.O.Patil Dr.L.R.Zawar

No. of Participants-11

Brief Description of event: - Our college 11 students participate in this workshop on the date of 24/09/2022 to learn design space creation and overall design of experiment, you also need some knowledge of Risk assessment and critical parameter assessment. There are plenty of books available for this topic but it's better to go through research papers related to specific field of interest. That will give you a better perspective of it. Usually, there are many input factors that may affect quality of product and methods. Recently, Design of Experiments (DoE) have been widely used to understand the effects of multidimensional and interactions of input factors on the output responses of pharmaceutical products and analytical methods.

Activity Report 2022-2023

Title of Event: Industrial Visit

Date & Venue: 06/04/2023, Khandesh Ayurvedic Pharmacy, B-1 MIDC Jalgaon, 425003.

Time- 9.00 am to 12.00 pm

In-Charge of activity: Mr. T. D. Fegade, Mr. S. N. Patil,

Resource Persons: Mr. Aparna Patil, Manager Khandesh Ayurvedic Pharmacy, Jalgaon

Objective of Activity: The objective of the activity is to provide pharmacy students with an insightful visit to an Ayurvedic pharmaceutical company, allowing them to gain practical knowledge about traditional Ayurvedic medicine manufacturing processes, quality control measures, and the integration of Ayurveda with modern pharmaceutical practices.

No. of Participants: 60

Brief Description of event: On 06/04/2023, SES Arunamai College of Pharmacy Mamurabad organized the one day industrial visit association with Khandesh Ayurvedic Pharmacy, B-1 MIDC Jalgaon, 425003. During the industrial visit, students get the opportunity to gain practical insights into the operations and processes of a specific industry. They observed real-world applications of theoretical concepts, interact with industry professionals, and understand the functioning of various departments within the organization. The industry supervisor demonstrated various techniques to students.

Outcome of Activity: Industrial visits provide the students with an opportunity to learn practically through interaction, working methods and employment practices. It gives the students an exposure to current work practices as opposed to theoretical knowledge being taught at their college classrooms.

Subject: Permission for Conducting Workshop on Handling of Pharmaceutical Equipments

Respected Sir/Madam,

We are taking an initiative to educate the college students about the handling of pharmaceutical equipments in order to increase their knowledge about the way things work in the pharmaceutical industry and processing of different equipments. As you know, to meet the industry's dynamic needs, it is very important that this workforce is adequately trained; hence this important information can help them to choose their role in pharmaceutical industry.

For conducting such workshop, we need your support to permit us for bringing this thought into reality. Our plan is to visit industry and learn about different scenario with Pharma equipment. You are requested to give your permission for such workshop on dated 29th March 2019. Our team informs you timely about the workshop.

I hope you will allow us the opportunity to conduct workshop at your industry and meet your skilled staff. I anticipate a positive response from your end.
