Training and Placement Cell 2022-23

The Placement Cell plays a crucial role in finding job opportunities for Undergraduates graduating from our college by maintaining contact with esteemed firms and industrial establishments.

The Placement Cell arranges career guidance programs for all students, starting from the first year. The cell coordinates training programs such as Mock Interviews, Group Discussions and Communication Skills Workshops, among others.

Objectives of Training and Placement Cell:

- Connecting pharmacy students with potential job opportunities.
- Organizing career guidance programs and workshops.
- Facilitating training sessions on interview skills and communication.
- Assisting students in developing their resumes and job search strategies.

Functions of Training and Placement Cell:

- Facilitating campus recruitment drives.
- Arranging industry visits and internships for students.
- Providing career counseling and guidance.
- Organizing training programs on soft skills and interview preparation.
