Action Taken Report for Teacher/Faculty feedback on Curriculum 2023-24

Even though we received positive feedback (97%), we are still working on implementing the curriculum with these practices.

- The senior faculty guide new staff members with essential knowledge and course objectives.
- Practical sessions ensure students understand principles, mechanisms, and procedures thoroughly.
- The university's allotted time is sufficient to cover the syllabus comprehensively.
- This curriculum promotes advanced education that encourages lifelong learning.
- The Pharmacy Council of India emphasizes both theory and practical aspects appropriately.
- Students are encouraged to participate in various projects, fostering analytical thinking a skill highly valued by employers.
