Action Taken Report for Student Feedback on College-Facility 2023-24

97.82 % positive response obtained here. Still we are running following practices for betterment of the students.

- All students received counseling to create a harmonious campus environment.
- Equipment in laboratories underwent repair, renovation, and ongoing maintenance.
- Proper seating arrangements, cleaning, and maintenance of fan and lighting systems were ensured in Girls' and Boys' common rooms.
- Water filters were replaced and maintenance schedules were communicated to responsible personnel.
- Additional computers and routers were installed to improve facilities for students.
- Ongoing washing and cleaning of toilets and urinals were maintained for student use.
- CCTV surveillance continues to ensure the security of students on campus.
