Date: -14/02/2020 to 15/02/2020

Venue: -Sanjivani college of Pharmaceutical education and research kopragaon

Time: - 9.30 am To 4.00 pm

In-Charge of activity: - Dr S.S.Pawar

No. of Participants- 12

Brief Description of event: - Our college 12 students participate in this workshop on the date of 14/02/2020 to 15/02/2020 and lots of new analytical & sophisticated instruments during workshop its handle with proper instruction given to students by instructor .Course attendance is limited to maximum students to ensure the maximum transfer of knowledge via maximization of student/teacher interaction and to provide for sufficient hands on instrument time. This approach gives the student the opportunity to learn the required skills, to put these skills into practice, to determine where any gaps in understanding may lie and to allow the teacher and student to rapidly and efficiently address these gaps. Graduates of these courses leave with a Certificate of Graduation indicating that they have the practical knowledge required to successfully operate the instrument of interest students are encouraged to bring samples that they need to analyze so that the skills that they learn can be directly applied to the sample types in which they are interested. Students will receive digital versions of course material used during the class.
